

To help you enjoy your visit, please take note of our current safety measures:

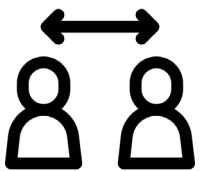

Please do not arrive earlier than your booked time slot. If you arrive more than 30 minutes after your booked time slot, we cannot guarantee entry. Once you are in the gallery, there is no time limit to your stay but we regret that re-admission is not currently permitted.

When you arrive at the gallery, every member of your group (over 16 years of age) MUST check in using the NHS test and trace app by scanning the displayed QR code, or by signing in manually at the front desk.

Face coverings are to be worn in the galleries and the shop.

Please observe social distancing during your visit and follow directional signage. Windows and doors will be open for fresh air circulation and our air intake systems have been adapted to take in constant fresh air. You may find the gallery cooler than usual.

Our lift is available, with capacity limited to one person, one household or one 'bubble'. If you need to borrow a wheelchair for your visit, please let us know when you book your ticket, by emailing info@hastingscontemporary.org

The gallery does not have a cloakroom but we do have small lockers that can be used at your own discretion. We regret that we cannot store other items such as suitcases, bikes or scooters during your visit. There are a number of bike racks located close to the gallery.

Please use card and contactless payments where possible.

Do not come to the gallery if you, or someone you live with, have tested positive or are experiencing any symptoms of coronavirus.
