

WORKS ON PAPER

BY TURPS | EAST SUSSEX PAINTERS

Turps | East Sussex is an artist-led painting programme supporting painters in the region through regular mentoring, critical feedback and artist talks. Turps | East Sussex is run by Turps Education and led by Programme Lead Mentor Matthew Burrows CBE. Now in our third year on the South Coast, we are delighted to be exhibiting small works on paper here at Hastings Contemporary from our 2025/26 Painting Cohort.

All work is for sale. Please contact the artist directly for any enquiries.
